We are looking forward to seeing you soon. We are a Rural brewery, and we like to think getting here is part of the rustic charm. Not to fear, it is all paved roads except for the last couple of hundred feet.

Warning – Do not type the county address (mailing address) into your GPS, it will take you to the wrong place! The County assures us they are working on it!

Option 1 – Type “Bench Creek Brewing” into Google Maps on your smart phone. It will take you to the right place. It will also give you our latest hours of operation!

Option 2 – Follow the map, it’s pretty easy.

Option 3 – GPS Coordinates: 53.62560, -116.5343
